What's New at the Studio

Make, Make, Make!!!

This past week I just finished a large order of mugs for the

Red Deer County to give their volunteers as an appreciation gift. Special orders always have their challenges and this order was no exception. Sweating to get it finished on time I was delighted with how they turned out.

I'm also still working on getting completely organized and set up. A good spring clean is certainly in order soon I'm looking forward to having all my equipment and work in one place by the end of June. Then I plan to focus on new

ideas, designs and glazes. YAY!! YAY!! YAY!!

"Handvaerker Market" - Danish Museum Dickson

Preliminary planning has started for an outdoor Show and Sale at the

Danish Canadian Museum this Summer. On July 12th in conjunction with Ebelskiver Days I will be hosting an "outdoor Artisan Market". Which will not only feature my work but the work of several skilled artisans. So mark your calendars for a great day of "TREATS"

Starting Last October I offered an "ART CLASS" of sorts. Once a month for the Months of Sept, Oct, Nov, March, April & May

I will be offering a "not your average craft" class at my new studio in Dickson. Upcoming classes are outlined on my website and can be registered for/purchased on-line. Coming up in April we will be making "Garden Flowers" using . May class is yet to be decided and should be up by the

middle of April. You don't have to be an experienced artist to participate all you need is a good sense of humor and willingness to try. Drop me a line if you have any questions.

- Past Classes :

 - Family Board
 - Photo Blocks
 - Christmas Ornaments

When you are in Edmonton, visiting this shop is a true treat. You will not find a better selection of great quality handmade. The perfect shop for buying that special one of a kind gift that will be adored and treasured.
